DJ DEL

This document provides guidelines on appropriate use of the DJ Del logo. To maintain the strength and integrity of the DJ Del brand, these guidelines must be strictly followed.

Use of the DJ Del logo requires written request and consent from DJ Del (only). All requests can be emailed to [iamdjdel@gmail.com](mailto:iamdjdel@gmail.com).

DJ Del has 2 variations of her logo (see above)- White symbols on black background and black symbols on a white background.

The DJ Del logo must always be displayed at a size large enough to read the wordmark.

The logo may appear as is only. Do not use any other colours in presenting the logo or alter these colour selections in any way such as incorporating a tint, a fade or other effects.

When used on a colored background, it must be presented in a color choice that provides proper contrast so that the DJ Del logo is prominent.

To preserve the DJ Del logo as a strong brand identity, the logo artwork and positioning must not be altered in anyway.

Logo files are available in several formats, and can be provided upon request.

For more information on these guidelines, approvals, permissions or any other concerns, contact DJ Del at the above stated email address.
